

God Lives With His People

Words by Gareth Leaney

(To "St Gertrude" [Onward Christian Soldiers])

God lived with His people
in a tent they made,
Hid behind the curtain,
out of sight he stayed.
Animals killed daily:
Blood to cleanse from sin.
Just one day, just once a year,
the Priest could venture in.

*Thank you God, our Father,
we are not alone.
When we trust in Jesus
you make our hearts your home.*

God lived with His people.
Jesus, God-made-man
Lived and walked among us,
following God's plan.
Killed and resurrected
Jesus paid the price.
We are made God's family
By His sacrifice.

*Thank you God, our Father,
we are not alone.
When we trust in Jesus
you make our hearts your home.*

God lives with His people
His Spirit lives within,
Helps us live like Jesus,
Keeps us fighting sin.
Guarantees our future:
God will make us new.
If you trust in Jesus
He'll live inside you too!

*Thank you God, our Father,
we are not alone.
When we trust in Jesus
you make our hearts your home.*
